CENTRALISED ADMISSION COMMITTEE (CENTAC 2018-19)
PONDICHERRY ENGINEERING COLLEGE CAMPUS, PUDUCHERRY

PRESS RELEASE

CENTAC/Admin/2018-19/Group-IV

Date: 4.8.2018

First Round allotment in respect of Group IV (Arts and Science) was done on **23.7.2018**. A total of **4944** seats were allotted and the last date of joining was extended till **3rd August, 2018**.

Out of 4944 allotted seats a total of **2547** candidates have been admitted in the respective colleges after verifying their certificates. A few number of candidates could not get admitted as they failed to produce relevant certificates to prove their claims.

A total of **2404** vacancies exist in various colleges. The vacancy position will be published in the website <https://www.centacpuducherry.in> on 06-Aug-2018. To fill these seats the website is opened for filling up preferences. The candidates can choose their course preferences online from **5.8.2018** and **7.8.2018**. Candidates who have passed through supplementary examinations and registered in CENTAC will also be eligible for the second round of seat allotment.

CENTAC has received applications for DGNM, DANM and DMLT courses offered in Mother Teresa Post Graduate and Research Institute of Health Sciences under groups 3 and 4. The first round of allotment will be published on Monday, the 6th August, 2018 for the eligible candidates based on the course preferences furnished by the candidates during first round.

Candidates who have joined colleges during the first round are also eligible for upgradation i.e., they can opt for some other courses if they want. But if the course opted for is allotted during the second round then the seat allotted in the first round will be re-allotted to eligible candidates. Candidates opting for upgradation should keep this in mind.

To enable the students to update preferences, the existing preferences are removed. Candidates need to enter preferences afresh. If a candidate doesn't enter the preferences his candidature will not be considered.
